Meadowbrook Golf Course was built in 1930 and is considered a shot placement course. This 18 hole regulation facility is considered one of the top 25 municipal golf course in Texas and rated the busiest of the City's facilities. The par 71 course plays to a length of 6363 yards from the Championship (Blue) tees, 5966 yards from the Regular (White) tees and right at 5000 yards from the Forward (Red) tees. Meadowbrook has the most rolling terrain of the City's courses. The greens are well manicured, and the fairways are tree lined. The greens and teeing grounds were re-grassed in the summer of 2005.
